

A Special Promotion

For Our Policyholders

Usborne & Hibbert
Mutual Fire Insurance Company

Your safety, and the protection of your property, is always important to us. This is why we've partnered with **PrevTech Innovations Inc.** to help bring a trusted fire prevention solution to your farm.

We'll happily reimburse you \$1,000 if you install one of the PrevTech units on your property. Each additional unit will be reimbursed \$250.

See reverse for more details

Prevtech offers tailored solutions for agriculture that are simple and fast to install and offer continuous monitoring, service and support. They bring:

- **Peace of mind**
- **Reduced risk of fire at your farm**
- **Reduced unexpected, and costly, operation downtime**
- **Fast return on investment**

**Strength, Stability
& Peace of Mind**

Visit www.prevtech.ca or call **888-224-0604** to explore their products.

Once your Prevtech unit is installed, contact Usborne & Hibbert with proof of purchase for your \$1,000 rebate!
